To receive your PGW rebate check by mail, follow these steps:

1. Purchase the Qualifying Product(s) within the eligible promotion dates. Equipment should be installed by a licensed contractor.
2. Install the product(s) where there is an active meter using PGW services. Account must be eligible on the date of payment to be eligible for the rebate.
3. Mail the following to the address below:
   a. This rebate form, completed accurately and legibly. Landlord/building owner is responsible to acquire and provide valid PGW account information for each installed equipment purchase.
   b. A legible copy of your itemized invoice that shows **retailer/contractor name, address, phone number, invoice date, description, manufacturer, model, quantity, purchase price and proof of payment.**
4. **Mail to: PGW Energysense Rebate Program, 49 West Evergreen Ave, Suite 116, Philadelphia, PA 19118**
   Visit pgwenergysense.com or call 888-742-7999 for program updates, questions or to track the status of your rebate.

- The billing address for your PGW account is the address where the check will be mailed and your email address will be used to communicate with you about your rebate application.
- Please provide a email address that you can readily and frequently check as we may need to communicate with you regarding your application and/or PGW programs.

☐ **IMPORTANT:** Photocopy your entire submission for your records. You could be required to mail, e-mail or fax these photocopies.

Energysense incentives cover all or partial expense (not to exceed $10,000 per customer per year). For projects totaling more than $10,000 per customer, contact the Energysense program at 888-742-7999 to determine eligibility.

Rebate checks will be mailed to qualifying customers within 4-6 weeks of PGW approval date on your submitted application. To monitor the status of your application or to get an update, call 888-742-7999 or visit pgwenergysense.com on your desktop. Please do not call PGW to request a rebate check be issued before the 4-6 week processing period has passed. Customers who have submitted applications for rebates will be notified by mail if their application is incomplete or ineligible. Applications must be received by PGW within 90 days of the date of purchase. Applications received after 90 days will be ineligible for rebates. Rebates are subject to change or cancellation without notice. Limit one rebate per customer per year. Rebates are subject to availability of funds. PGW reserves the right to inspect all installations. Customer is responsible for all applicable taxes. Customer is responsible for all costs associated with installing, maintaining and removing all equipment. PGW is not responsible for any damages to property or persons resulting from the installation, maintenance or removal of
