To receive your PGW rebate check by mail, follow these steps:

1. Purchase the Qualifying Product(s) within the eligible promotion dates. Equipment should be installed by a licensed contractor. If applicable, review the listings at www.ahridirectory.com to ensure your equipment qualifies for this program.
2. Install the product(s) where there is an active meter using PGW services. Account must be eligible on the time of payout to be eligible for the rebate.
3. Mail the following to the address below:
   a. This rebate form, completed accurately and legibly. Landlord/building owner is responsible to acquire and provide valid PGW account information for each installed equipment purchase.
   b. A legible copy of your itemized invoice that shows **retailer/contractor name, address, phone number, invoice date, description, manufacturer, model, quantity, purchase price and proof of payment.**
4. **Mail to: PGW Energysense Rebate Program, 49 West Evergreen Ave, Suite 106, Philadelphia, PA 19118**
   Visit pgwenergysense.com or call 866-742-7999 for program updates, questions or to track the status of your rebate.

- The billing address for your PGW account is the address where the check will be mailed and your email address will be used to communicate with you about your rebate application.
- Your contractor's email address will be used to verify any questions you can't answer about your application and to communicate updates regarding PGW programs.

☐ **IMPORTANT:** Photocopy your entire submission for your records. You could be required to mail, e-mail or fax these photocopies.

Energysense incentives cover all projects per customer $250,000 per calendar per year. For projects rebates above $50,000 per customer, contact the Energysense program at 866-742-7999 to determine eligibility.

Rebate checks will be mailed to qualifying customers within 4-6 weeks of PGW approval date on your certified application. To review the status of your application or to get an estimate, call 866-742-7999 or visit pgwenergysense.com. Rebate checks will not be issued to customers who have a delinquent account with PGW. Customer must be the owner of the property at the service address listed on the application. Customer is responsible for all applicable taxes. Any equipment removed from service must be recycled or disposed of in accordance with all applicable laws, regulations and ordinances. Customer is responsible for all costs associated with installing equipment in the United States only. Customer is responsible for all costs associated with installing equipment in the United States only. PGW reserves the right to change or end the program at any time without notice.
