To receive your PGW rebate check by mail, follow these steps:

1. Purchase the Qualifying Product(s) within the eligible promotion dates. Equipment should be installed by a licensed contractor. Review the Billing at www.contractors.com or at www.pgweb.com for Tankless Water Heaters, to ensure your equipment qualifies for this program.
2. Install the product(s) where there is an active meter using PGW services. Account must be eligible at the time of request to be eligible for the rebate.
3. Mail the following to the address below:
 - a. This rebate form, completed accurately and legibly. Landfill/building owner is responsible to complete and provide valid PGW account information for each installed equipment purchase.
 - b. A legible copy of your contract from the gross installer/contractor name, address, phone number, invoice date, description, manufacturer, model, quantity, purchase price and proof of payment.
4. Mail to: PGW EnergySense Rebate Program, 40 West Evergreen Ave, Suite 110, Philadelphia, PA 19116
 Visit www.rebate.com or call 800-742-7638 for program guidelines, questions or to track the status of your rebate.

- The billing address on your PGW account is the address where the check will be mailed and your local utility will use it to determine when you should pay these applications.

- Your contractor's email address will be used to notify you of questions you may receive about your application and to communicate regarding PGW programs.

IMPORTANT: Provide your entire submission for your rebate. You may be required to mail, email or fax these attachments.
