I understand PGW reserves the right to audit my rebate application and if requested, I will allow PGW representatives reasonable access to verify the installation of qualifying product(s) at the service address listed above.		*Signature:					
		*Date:			<input type="checkbox"/> Opt-In	<small>I'd like to learn more about PGW's EnergySense programs and offers by email.</small>	

### To receive your PGW rebate check by mail, follow these steps:

1. Purchase the Qualifying Product(s) within the eligible promotion dates. Equipment should be installed by a licensed contractor. Review the listings at [www.ahridirectory.org](http://www.ahridirectory.org), or at [www.energystar.gov](http://www.energystar.gov) for Tankless Water Heaters, to ensure your equipment qualifies for this program.
2. Install the product(s) where there is an active meter using PGW services. Account must be eligible at the time of payout to be eligible for the rebate.
3. Mail the following to the address below:
  - a. This rebate form, completed accurately and legibly. *Landlord/building owner is responsible to acquire and provide valid PGW account information for each installed equipment purchase.*
  - b. A legible copy of your itemized invoice that shows **retailer/contractor name, address, phone number, invoice date, description, manufacturer, model, quantity, purchase price and proof of payment.**
4. **Mail to: PGW EnergySense Rebate Program, 40 West Evergreen Ave. Suite 110, Philadelphia, PA 19118**  
Visit [pgwenergysense.com](http://pgwenergysense.com) or call 855-749-7658 for program updates, questions or to track the status of your rebate.
  - The billing address for your PGW account is the address where the check will be mailed and your email address will be used to communicate with you about your rebate application.
  - Your contractor's email address will be used to clarify any questions you can't answer about your application and to communicate updates regarding PGW programs.

**(!) IMPORTANT: Photocopy your entire submission for your records. You could be required to mail, e-mail or fax these photocopies.**

EnergySense incentives across all projects are capped at \$150,000 per customer per year. For proposed rebates above \$25,000 at an individual address, contact the EnergySense program at 855-749-7658 to determine eligibility.

Rebate checks will be mailed to qualifying customers within 4-6 weeks of the postmark date on your qualified application. To review the status of your application or to ask questions, call 1-855-749-7658 or visit [www.pgwenergysense.com](http://www.pgwenergysense.com) at any time. Your right to receive this rebate will not be earned unless you purchase a qualifying appliance and follow each of the steps above. Your failure to satisfy each of these Conditions of Acceptance is a rejection of this rebate offer. Purchases from online auctions are not eligible. This rebate cannot be combined with any other PGW rebate, unless approved in writing by PGW. Rebates are only available for premises served by PGW Firm natural gas rates. Failure to provide reasonable access to a PGW representative to verify installation of qualifying product(s) may lead to repeal and rescinding of the rebate award and may take any related legal action(s) it deems necessary. This offer is available to PGW customers with mailing addresses in the United States only. Purchases made in or for delivery to other countries are not eligible. PGW is not responsible for lost, late, damaged, illegible, or postage-due applications. Your rights to this rebate cannot be assigned or transferred. Excessive submissions will constitute fraud and may result in federal prosecution under U.S. Mail fraud statutes (Title 18, USC 1341 and 1342). All submitted materials become property of PGW and will not be returned. Rebate paid by check in US Dollars. It is required that you cash the rebate check within 90 days of the issuance date on the check. Rebates are awarded on a first-come, first-served basis and are subject to available funds. PGW reserves the right to change and/or end any portion of this program without notice.

Where applicable, please check the corresponding box to indicate your equipment meets all criteria and you have all the proper documentation to submit with your application:

Does the tankless water heater model have an input capacity (kBtu/h) of 150 MBH or less?

Does the combi boiler model have an input capacity (kBtu/h) of 205 MBH or less?

Have you obtained a copy of the tankless water heater model's EnergySTAR® certificate?

Have you obtained a copy of the AHRI certificate for the furnace, boiler, and or combi boiler models?

You must complete this page of the application form; use additional pages if needed. Only enter total rebate amount once if more than 4 units were purchased and installed. Eligible products will be combined into one rebate check for payment, pre application submission.
